Nearly all Cassava bingo sites provide their newly-registered players with a lucrative welcome bonus of 250%. That means if you choose to start with a £10 deposit, you will get extra £25 to your player account to the total amount of £35. On top of that, if you apply our special bonus codes when register at Wink bingo or 888Ladies bingo, you will increase your funds even more. Apart from Cassava's welcome offers, you can also take advantage of their 50% re-deposit offer and boost your winning chances with your second deposit. You can also join Cassava's weekly offers, cashback deals and tournaments.

Some of you who haven't played at Cassava bingo yet, may wonder what exactly means the fact that you have VIP status across all sites. Well, that is a unique benefit, you won't find anywhere else. It means that you can use your VIP status benefits as well as your LPs balance on any Cassava site. Plus, you can play with a single account anywhere on the network and still accrue loyalty points.

Another reason you should choose Cassava bingo sites is that they accept PayPal. You should take that as a good sign, not many bingo networks offer the service. The reason why many bingo sites don't accept PayPal is because that's a paid service and many providers cannot afford that costs. Cassava bingo sites have mobile applications, compatible with both Android and iOS mobile devices. Their applications replicate the desktop version of each website, providing the same highquality gaming experience, both 75 and 90 ball bingo games and a couple of slots. Although you do may find many bingo sites offering mobile versions of their websites there are just few who have developed bespoke native applications.

Last but not least let's not forget that all bingo sites linked to Cassava network provide Live chat support, available round the clock. Any time you may need assistance you can use their live chat tool and connect with the representatives. Most bingo sites provide help through a telephone number or email, though it's more convenient to reach the team instantly.
